## COUNTING THE OMER

And you shall count for yourselves from the day after the Sabbath, from the day that you brought the sheaf of the wave offering: seven Sabbaths shall be completed. Count fifty days to the day after the seventh Sabbath; then you shall offer a new grain offering to YHVH. (Lev 23:15–16)

May 4<sup>th</sup>, 2018 is Omer Day 34

While they were waiting the disciples were not just sitting around doing nothing, they were counting the Omer, as they had done every year, examining their lives in preparation to receiving the gift of the Ruach Ha Kodesh on Shavuot that Yeshua promised them would come. This year would be the literal fulfillment of the Feast.
